- Sponsor for volunteer t-shirts

Hope Medical Clinic (850.837.8424, tim@hopemedclinic.org)

- Board members: A priority for HMC is establishing a board that reflects the diverse communities we serve. Our patients come from various racial, ethnic, gender, economic, and religious backgrounds and we are looking for passionate and qualified advocates for the specific needs of these communities.
- Network with area hospitals: There are three major hospitals in Okaloosa and Walton counties. Currently, we partner with one of them.
- Adopt-A-Program: Labs: To assess our patient's health we need to perform lab work. This is one of our larger routine expenses. By adopting this program we could use those funds for direct patient care. Technology: We use various 2 computer programs for our patient's electronic medical records and case management.
- Providers: Doctors, advanced practice nurses, and physician's assistants.
- Lab equipment: Cholestech LDX.
- Facility: We have a growing need for space. We project a doubling of our patient population in the coming three years.
- Portable sink unit: Ozark River Steel Deep Basin
- Rolling shelf units (2): Edsal Boltless shelf trucks
- AED: We have many patients being seen for cardiac conditions
- Smartphone EKG unit: Alivecor heart monitor
- Medications: These include medications for blood pressure, diabetes, cholesterol, and asthma
- Marketing ideas: An ongoing challenge for us is in finding new platforms to interact with potential partners.
- Website: HMC's website is in need of an update.
- Printer: Konica Minolta C224e.
